PRIVATE LESSONS

5 WAYS

1. Regular Private Lessons – 1 at a time or up to 25

The more you purchase ahead, the less expensive it gets. Each lesson is 55 minutes long. You don't need a partner, but you should bring one if you can.

You may work on anything you wish, with your teacher's approval, of course.

2. Wedding Choreography – Minimum 6 lessons

These are the same as private lessons, but the teacher will take your CD and put a routine together for you after your first lesson so he/she knows what your abilities are. Then you will use the rest of the time to work on your routine. Partner required, of course.

Four additional hours may be purchased at a discounted rate.

3. Private Group Lessons – pay for 1 hr., 1-1/2 hrs., 2 hrs.

Group is at least 4 people and up to any amount you wish.

You pick the people... you pick the day, date and time... you pick the dance you want to learn... you can even pick the music, if you like. Couples preferred, singles welcome if they don't mind leading.

This makes a really nice gift for your bridal party, parents and friends.

4. Private CRASH Courses – 16 lessons to be taken over 8 weeks.

You get to choose which "package" of lessons you want... for instance, the Latin Package, Swing package, etc., then we work on the dances 2 nights a week. This package is discounted...a lot!

You don't need a partner, but you should bring one if you can.

Included with this package is free admission to the Friday or Saturday night social for 8 wks.

5. Private Beginner thru Intermediate Packages -

If you want to follow something more structured, we have packages that will start you off with a beginner package, then you can progress to the "Next Step" package which is an advanced beginner level, and then Intermediate. You don't need a partner, but you should bring one if you can.

You can stay at any level you need to for as long as you're comfortable.

Lessons must be paid for 1 week before start of lesson.

In the case of packages, 1/2 must be paid for one week before your first lesson, with the balance due the day of your first lesson.

You must cancel at least 24 hours in advance or you will be charged for the lesson, and there is no refund for classes not used.
